REPORT AND RECOMMENDATION

Pursuant to 28 U.S.C. § 636(b), I conducted a plea hearing in this case on September 8, 2020. At the hearing, defendant waived his right to prosecution by indictment and consented to proceeding on a superseding information rather than indictment, and entered a plea of guilty to Count One of the one-count Superseding Bill of Information pursuant to a written plea agreement. I find defendant made a knowing and voluntary waiver of indictment and consent to proceed before the magistrate judge. On the basis of the record made at the hearing, I find the defendant is capable and competent to enter an informed plea; the plea is made knowingly and with full understanding of each of the rights waived by defendant; the plea is made voluntarily and free from any force, threats, or promises; apart from the promises in the revised plea agreement; the defendant understands the nature of the charge and penalties provided by law; and the plea has a sufficient basis in fact.

Therefore, I **RECOMMEND** defendant's plea of guilty to Count One of the Superseding Bill of Information be accepted, and the Court adjudicate defendant guilty of the charges set forth in Count One of the Superseding Bill of Information, and a decision on whether to accept the plea agreement be deferred until sentencing. I further **RECOMMEND** defendant remain in custody until sentencing in this matter. Acceptance of the plea, adjudication of guilt, acceptance of the

plea agreement, and imposition of sentence are specifically reserved for the district judge.
